

## From The Deputy Principals Kia ora koutou

### Staffing Update

We welcome Stuart Reid to our teaching team. Stuart will join Vicki Stevenson, who will be familiar to you as one of our part-time release teachers, in Tane Mahuta from the beginning of Term 3.

Ata Hāpara continues to grow and we are currently advertising for a fourth teacher to work alongside our bilingual learners. We have also appointed Awatea Pokai, as a kaiawhina for the bilingual programme and he will begin in Week 2 of Term 3.

### A message from Liz.....

As many of you are aware I have been away now for quite a number of weeks recovering from unexpected lung surgery, and so I have been focusing more on the health system than the education system of late. However, it has given me the opportunity to think about collaboration from a whole new perspective.

Hospitals are great examples of environments that require collaboration and sharing of responsibilities. It is very reassuring to be wheeled into an operating theatre and see a host of professionals waiting there - anaesthetists, surgeons and specialist nurses. All are there to achieve the same outcome for the patient by utilising the skills, competencies and knowledge that each professional brings to the team. It would have been most worrying to find just one person in the operating theatre, in fact I am not sure I would have stayed!

Perhaps this is another way for us to view the changes in the education sector that have seen a move away from single cell classrooms and teachers operating in isolation?

Schools are busy places, and they don't just stop when people are absent. I would like to acknowledge Paul and Helen for leading admirably in my absence – another great example of collaborative practice – and to thank everyone on the team who has taken on extra responsibility this term.

Enjoy the upcoming holidays. I am very much looking forward to returning to school full time next term and seeing you all again.

### "Choose another word"

We have been having discussions at school about some of the unacceptable language that we are hearing used around school. We know that families all have different expectations about the sorts of words that are used in stressful situations but we are finding that a small number of children are using words that are offensive. Our TIDE team (Thinking, Ideas, Development and Evaluation) have met and brainstormed ideas about how we can help children make better choices with their language. The phrase they came up with is, "Choose another word". The TIDE team children are working in their classes to communicate this message and adults at school will reinforce this too.

### Canterbury Schools Gymnastic Competition

Well done to Charlotte and Mikayla who represented us at The Canterbury Schools Gymnastics Competition. Charlotte placed 2nd in beam and 3rd in floor.

### Bike track Update

The contract for the track construction has been let. The bike container has been ordered. The bikes are in storage waiting for the container. Our lovely PTA are working on fundraising to pay for bikes and helmets. Woo hoo! We are not sure yet when this will be all up and running but it is getting closer.

### Extraordinary Musicians!

Well done to the music students who performed in Assembly last Friday. All the hard work you have put into lessons has paid off and it was great to see all the learning and practice come to life. The Rock Band entertained students with their lunchtime concert. Massive thanks to our tutors Grace, Josiah and Jordan from Amplify Music for the fantastic job with our talented musicians. If your child is interested in having lessons, enrolments are done online. Visit [www.amplify.mymusicstaff.com](http://www.amplify.mymusicstaff.com) under Enrolments tab.

We have a large choir of students from Year 3-8 who practice together every Monday afternoon under the tuition of Jenny and Louise. They have been learning and rehearsing a number of songs and will be performing for us at assembly on the 8th July, 9:15am. We look forward to seeing more talented Rāwhiti musicians in action!

### Learning Conversations

There will be an opportunity for students, parents and caregivers to again meet with teacher/s to share progress, learning and achievement information and to set new goals for learning. These will be held in Week 3 and 4 of next term. Details of times, dates and how to book online will be available from the beginning of next Term.

School finishes for the term next Friday, and resumes again on Monday 25<sup>th</sup> July. We wish all our students and families a safe and relaxing holiday. Stay warm.

## School Notices

### Absences & Late Students

Just a reminder if your child/ren are away for any reason, please let the office know. Phone 3889519 or text 02108271380. The teachers complete the roll between 9-9.10am and 12.30-12.40pm each day. Our office staff follow up on any students who are not in class by sending a text message, then following up with a phone call if necessary. If your child arrives at school after the roll has been taken, they will need to come to the office to collect a "Yay – I've arrived" pass. The office staff will then mark the student on the roll as present.

### Dancing like the Stars

A dancing group of 30 Year 5 and 6 students from Tāwhirimātea have been practicing twice weekly with their tutor Sandy, a Dance director and choreographer (Chant et Danse). The students have absolutely taken up the challenge and worked with Sandy to create an amazing jazz routine. The group will be performing in the Dancing Like the Stars Show (with other Christchurch school groups) at the Isaac Theatre Royal on Tuesday 26th July at 6pm. Students and their families will be given free tickets to attend the show.

### Te Wiki o te reo Māori

Next week is Māori Language Week. The theme for this year is ākina to reo/ te reo tautoko– behind you all the way which is about using te reo Māori to support people, to inspire and to cheer on. Perhaps you could try using some of these phrases at home to support your tamati/tamariki

Kei reira!	Right on! That's the one!
Karawhiua!	Give it heaps! Give it all you got!
Ka wani kē!	Awesome! Fabulous!
Ka mau te wehi!	That's outstanding!
Ka pai hoki koe!	Good on you!

You can find more phrases to try (one a week for a whole year!) at

<http://www.tetaurawhiri.govt.nz/assets/LanguageResources/50-Fun-Phrases-A3-Poster.pdf>

### Bicycle Safety

Students biking to school are expected to follow the road rules. It is illegal to ride bicycles on footpaths, unless delivering mail or when cycling a wheeled recreational device that has a wheel diameter less than 355 millimetres (normally a tricycle or small child's bicycle). Children who bike to school need to make sure they are safe, and it may mean they need to get off their bike and walk it along the footpath until they reach a safe place to enter the road. We have a shared path along our western boundary that children who bike to school use, alongside pedestrians, to take them to the bike stand area. The police recommend that no child under the age of ten should cycle to school unless accompanied by an adult.

### Winter Sport update

Every Friday afternoon a large team of students represent our school in a range of sports and activities at Rāwhiti Domain and around the local area. We have teams competing in Rugby, Football, Netball, Hockey, Lawn Bowls and Table Tennis. We also have a group of students who help out at the Community Garden alongside students from the other schools.

*Our table tennis team plays at Grace Vineyard Church each Friday. We play against South NB, Queenspark, Te Pa, Parkview, and Chch East. Most of the time we win. The game helps us learn how to communicate with a partner practice our table tennis skills, and is lots of fun. Thanks to Miss S for all her work organising the team.*

### SNAG Golf After School Sessions

Following on from successful SNAG lessons with our Year 4 students, Kelly Sports is offering an After School programme on Mondays for Term 3 at Rāwhiti School. SNAG stands for "Starting New at Golf". It is a fun game that is easy to learn and can be played anywhere. SNAG contains all the elements of golf but in a modified form.

### Blue Ribbon Trust

We have been offered support for families from the Blue Ribbon Trust. They are able to assist with raincoats, shoes or thermal items for individual children. Please let us know if this would be of help to your child/ren, especially as the weather is getting colder now.

### Lost Property

Now that winter is here, we have a number of hats, scarfs and gloves in our lost property box and in studios. Please make sure all items are clothing are named so we can return them to the rightful owner. We will be putting the lost property out next week. Please check if any of it belongs to your child/ren.
