Dear whānau, parents and caregivers,

## Community consultation is underway....

It is very important to us that we work together as a community to create our new school.

We would like your views and ideas on:

- the school vision, values and priorities
- the master plan for the new school to be built on the North New Brighton site
- the attributes and skills of the Principal for the merged school

Here are the different ways you can contribute your ideas:

## Community meeting

There is a community meeting on

**Thursday, 13<sup>th</sup> March**  
**5.30pm – 7pm**  
**at St Faiths Church Hall, Hawke St, New Brighton**

Please come along to support our first community meeting and share your thoughts about your vision for our new school. This meeting will be led by GHD, the company preparing the master plan for the new school, and the Ministry of Education.

## Questionnaire

Attached is a questionnaire about the values you think are going to be important in our new school, and the skills and attributes for our new Principal. We are seeking your ideas about this and invite you to fill this in and drop it into the box in your school office **by 3pm Monday, 10<sup>th</sup> March.**

Another option of providing feedback is by answering this survey online at
