

Tena Koe

Thank you for your interest in a position as a permanent Scale A kaiako in our Level 2 Bilingual Unit.

Rāwhiti School provides bi-lingual education (English/Te Reo Maori) as an option for pupils from New Entrant to Year 8 level. Numbers in the bi-lingual classes currently sit at 70, which is why we are looking for a fourth teacher to add to this team.

The bilingual unit has been named Ata Hāpara. This term refers to the morning chorus, which originally was deafening in Aotearoa. The name gives inspiration to our bilingual teachers and learners, whose every effort is directed towards the reinvigoration of reo Māori in our community. The name Ata Hāpara also fits well with our kura name, Rāwhiti, and helps to define their special role within the whole school.

All our teachers are expected to do whatever it takes to create meaningful learning experiences. You will need to be experienced at working collaboratively, have the ability to motivate and inspire learners, and be unafraid of our new, dynamic learning environments. A passion for integrating e-learning into curriculum is essential, as is the ability to form strong, positive relationships with colleagues, children and parents.

If you are creative in your approach, unafraid of using digital technology in the classroom, passionate about Inquiry Learning, and excited about the possibility of working collaboratively with other teachers, then we want to hear from you. We also want to know what else you can offer us, and what your preferred teaching levels are.

This permanent position commences Term 1 2020.

Please find enclosed the following:

1. Application form.
2. Description of school.

Rāwhiti School

Rāwhiti School is a U6 Full Primary School situated in the culturally diverse Christchurch suburb of Brighton, with pupils drawn from a number of surrounding suburbs. The school has a decile rating of 3 and a peak roll of 600. Over the past four years our community has been challenged in many ways - damage to homes and workplaces, loss of businesses, income and jobs, damaged infrastructure and facilities, and families moving away.

Rāwhiti School is a merger of Central New Brighton, Freeville, and North New Brighton schools. The school opened in January 2015 and operated for its first year in the existing buildings on the Freeville and Central sites, known as the QE2 Base and Beach Base respectively, while new facilities were being built. At the beginning of the 2016 school year we moved home to Leaver Terrace.

A bilingual programme was established at Freeville School in 2011 with one classroom. In 2013 a second classroom was opened to cater for learners from Years 1-6. Since the three schools merged in 2015 the number of students in the bilingual programmes has increased to 70, and we currently employ three teachers to meet the needs of these learners.

In order to meet our vision of **Rising Above the Ordinary** we are focusing our strategic direction in three main areas – Pedagogy, People and Place. A copy of our strategic goals and beliefs accompanies this application pack.
