

Newsletter #16 - Te Pānui o te kura o Rāwhiti: 23rd September 2022

*E ara ake ana i te ūruhi*  
*Rising Above The Ordinary*

## From The Principal - Te Pū kāea a te Tumuaki

**Kia ora koutou,** There is a lot of important information to share with you all in this our last newsletter for Term 3. Please read on.

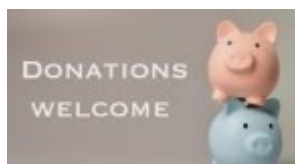

### 'Te Karoro Karoro' - Important Information

We are very excited about our upcoming performances on Tuesday and Wednesday next week. We could have done without the public holiday on Monday as we lose a rehearsal day, but as they say in show business, it will be alright on the night!

This is the first time we have attempted a performance that involves all six of our learning teams and Te Karoro Karoro is even more special as it is original, developed out of our inquiry learning over the last two terms, and has been devised by our children and teachers. Three of our team, Fi Glasgow, Emma Burgess and Talei Cordes, have done the hard work of devising the concept and weaving together the stories from our local area that the learning teams have chosen to tell. We are very grateful to them for creating this opportunity for our children to perform.

Here's what you need to know:

- While there is no cost for your ticket, ***we will be collecting donations at the end of each performance to help us cover the costs of our staging and lighting. Please bring some cash and make a donation at the end of the night.***

*continues on next page ...*

## Mark Your Calendar

### SEPTEMBER

- 26th SCHOOL CLOSED—  
Memorial Day for The  
Queen's Passing
- 27/28 School Production, 6.30pm

- 2-4Nov Y6 Camp, Glentui
- 10th Board of Trustees Meeting
- 11th SCHOOL CLOSED—Show  
Day

### Don't Forget Daylight Savings

Put your  
clocks  
forward  
one hour  
on  
Sunday

***From The Principal continued ...***

- The booking form for tickets has closed. There are a limited number of tickets for the Wednesday performance still available, please contact Kim in the office.
- If you no longer have need for all of the tickets you booked, please return them to Kim in the office as she can easily redistribute them.
- Tickets are being sent home with your children.
- The teachers in your learning studio have been using Hero to post information about what time your child is required and anything else that they need. If you think you have missed out on this information, please ask your child to check with their teachers.

**Building News**

Our new junior learning space is going to be ready for use at the beginning of Term 4. The name that has been approved for this learning studio is **Aotahi**. In Ngāi Tahu traditions, Aotahi is the name of the star Canopus. Aotahi is the second brightest star in the night-time sky, second only to Sirius (Takurua or Rehua). The name Aotahi translates approximately as 'first light' or 'single light', intimating the star's solitary nature and position in the sky. Aotahi is regarded as a very tapu (sacred) star and always dwells alone.

But wait, there's more.

The Ministry of Education has confirmed that they will be funding additional permanent learning spaces at our school, and that we can commence planning for these. This new build has been designated as a specific space for our bilingual programme, **Ata Hāpara**. This is something that we asked for when our school was built in 2015, but was not allowed for in the project budget. We are delighted that the MoE has progressed in its thinking and we are excited about designing a learning space to meet the specific needs of our Year 1-8 bilingual programme. Ata Hāpara refers to the morning chorus - which originally was deafening in Aotearoa. This name gives inspiration to our bilingual teachers and learners, whose every effort is directed towards the reinvigoration of reo Māori in our community.

**Poutama Reo**

Helen Parata and I represented Rāwhiti School in Wellington yesterday at the launch of the successful Poutama Reo tool. Poutama Reo promotes equity and excellence, and barrier free access to Māori language, culture and identity for all students. It provides a tool for English Medium schools to assess where they are at in their journey of teaching Te Reo and provides practical next steps to improve the use of the language in schools. This is a very exciting time in education and coincides with the 50 year anniversary of the Māori Language partition in Wellington. We are committed as a school to support the revitalisation of Te Reo in Aotearoa and feel privileged to have been able to trial this tool and be present yesterday at this milestone event.

We look forward to connecting with you all at Te Karoro Karoro next week - remember to bring your wallet with you!

Ngā mihi nui ki a koutou katoa

**Liz Weir, Principal**

## Principals Awards *Ngā tāonga a te Tumuaki*

### Rongo-ma-tane

Asha, Ava H x3, Ayla, Caitlyn, Chevonne x2, Ida, Jasmine x3, Joel x2, Levi, Lewis x2, Rosalie, Shayla

### Papatūānuku:

Ailia, Azalea-Rose, Blake, Geordie, Jesse K, Kepa x2, Lakey, Logan x2, Nate F, Noah W, Opal, Ricky x3

### Become a Census Field Operations Team Leader and be part of telling the story of life in Aotearoa

New Zealand's next census will be in March 2023. To prepare for this national event we are hiring Field Operations Team Leaders to manage, roster and support a team of Census Field Collectors.

We have 321 full-time temporary positions available across Aotearoa from November 2022 to April 2023

- Support, influence and motivate your team to encourage the public to take part in the census
- Work with real purpose in a supportive, inclusive and flexible work environment
- Great pay rates + upon full completion of assignment you will be paid a completion payment equivalent to ten percent (10%) of paid hours worked + you will receive allowances + paid training + KiwiSaver employer contributions paid to all those opting in including 65+ years.
- Work from home and in the field supporting your teams.

Incredible experience of connection and community! Be part of a programme that delivers real value to local communities by ensuring everyone takes part, is counted and is represented in the data collected in the next census.
